

THE LIMELIGHT COLLECTIVE

A project of The Salvation Army

THE LIMELIGHT COLLECTIVE combines high-quality performing arts and Christian spirituality to enrich individual lives and the wider community.

We offer community performing arts programmes like our biweekly Open Stage, our Babysong courses and street performance in our neighbourhood.

Soul Space, our weekly artistic meditation, provides opportunity for spiritual life development through artistic practices.

We also offer pastoral care and professional development opportunities for performing artists.

SHAW COLEMAN, ARTISTIC DIRECTOR

Shaw graduated from the Australian National Theatre Ballet School in 2006, before dancing solo roles in various ballet companies throughout Europe. After marrying in 2011, Shaw joined the Singapore Dance Theatre, with whom he had the honour of performing for the king and queen of Malaysia. Since returning to Germany in 2013, Shaw has been working as a freelance dancer, choreographer and musical theatre performer, including performing in a European touring production of *Dirty Dancing*. Shaw has spent most of his life volunteering for The Salvation Army and founded The Limelight Collective, a Salvation Army project, in 2016.

KATHARINA COLEMAN, PROJECT CONSULTANT

Katharina holds a Bachelor in International Business from the University of Alberta in Canada and an MBA from INSEAD in Singapore. With a passion for entrepreneurship and international experience spanning three continents, her core expertise includes business development and strategy. SOUL SPACE ARTISTIC MEDITATION

MONDAYS, 7:30 PM

In our loud, hectic world, how often do we just long for space for our souls? Soul Space is an artistic meditation designed to cultivate our inner, spiritual lives. After reading and discussing a sacred text together, we take time to individually explore the text through various creative disciplines, channelling Divine inspiration. We close with a time of sharing our experiences with the group.

OPEN STAGE

EVERY SECOND FRIDAY, 7:30 PM

The Limelight Collective's Open Stage gives you the opportunity to find your audience, share your art with the world and step towards reaching your full potential! Whether you're a dancer, a singer, an actor, a poet, or just a passionate audience member, we look forward to welcoming you to our Open Stage!

No pre-registration needed. Free admission, donations appreciated.

BABYSONG

Singing, dancing, playing together and experimenting with different rhythmic instruments allow children to experience the joy of music, training their auditory senses and encouraging language development. This programme is appropriate for children aged between three months and three years accompanied by an adult.

Each Babysong course has 10 sessions. To register please contact us at limelight@heilsarmee.de or call 030/24358747.

TEACHING & WORKSHOPS

We love to share our expertise in combining performing arts with Christian spirituality, and have been able to pass on our experiences through events, camps, workshops, seminars, talks and performances throughout Europe.
